

## A BLOOMING EXPERIENCE

*Imagine a hotel with a cozy personal touch that almost feels like home... add a splash of art, and playful design to it... mix it with comfort and easiness and drop that in the middle of the dunes somewhere near Bergen –*

### ***Welcome to blooming - source of inspiration!***

With the dunes as your back garden and the artist's village of Bergen just a stone's throw away, hotel blooming is a place where everyone can blossom.

Whatever the purpose of the gathering, the number of people attending or the technical requirements, blooming always has room for you! More than twenty, tastefully outfitted meeting rooms look out onto its own eleven hectares of dune landscape and provide the tranquility that makes learning and growing such natural processes. blooming offers the ideal environment for training courses, brainstorm sessions, meetings and presentations.

Since blooming hotel contains over a hundred rooms, there is something for everyone. From 'regular' to 'unlimited' rooms, from a 'private spa' room to the 'heaven beyond' suite. Whatever room you choose, they all have a modern, inspirational and individual interior. Naturally, all rooms offer wireless internet and for a relaxed moment during a busy day you're welcome in the brand new swimming pool with sauna.

blooming challenges you to discover new ways of getting to know yourself and others. This may be during a Tai-Chi-workshop, a sparkling wine-tasting session, a nighttime walk with our confused forester or a rafting trip through the foaming surf.

You can also approach this in a more serious manner accompanied by blooming training during a 'personal effectiveness' training, 'team development' or 'talent management'.

**blooming inspires, creates, stimulates and relaxes.  
blooming is home away from home!**
