

*Dutch people really know how to enjoy their beaches...
During the entire Summer season, beach pavilions are THE place to be!
These clubs are also perfect setting to organize sunset drinks, a private BBQ dinner or a real beach party whether for smaller or larger groups – many of them can be rented exclusively for an evening or a day!*

Below some of our favorite spots :

CARLTON BEACH CLUB

Carlton Beach Club in Scheveningen, attached to the Carlton Hotel has recently been renovated and is one of Holland's favorites when we look at this year's beach club awards. www.carltonbeachclub.nl

WEST AAN ZEE

West aan Zee is located on the island of Terschelling. This great beach pavilion reflects the rustic & relax atmosphere of the Frisian Islands and is an excellent 'base camp' during a day of beach activities. At night beach BBQ and bonfire add to the island feeling. www.westaanzee.nl

DOEN & WIJ

Also in Scheveningen & without any doubt THE most trendy clubs on the beach... Impressive deco, fashionable crowd, deluxe loungy atmosphere - To see and to be seen, Miami style! www.zamen.nl

SB NOORD

SB Noord can be found in Bergen aan Zee. A mix of designer items and rustic details result in a special background. On the menu primarily local produce and bio food. A great combination with a stay in blooming hotel (e-news #1 – March 2010) www.sbnoord.nl

STRANDPLAATS NEDERZANDT

Located in Noordwijk, Strandplaats Nederzandt is actually much more than just a beach pavilion. Besides the traditional beach venue, this location also offers real meeting rooms & facilities with view on the dunes! This location is opened year round.

PUUR

One of the most recent additions on the Dutch coast is Puur in Cadzand. The name says it all : the surroundings, the architecture of the place, the atmosphere – all pure enjoyment. www.strandpaviljoenpuur.nl
