

BBT Online's Bucket List – Kenneth Leys (30), Account Manager, NH Hotel Group

1. As we all know Aalst is famous for organising the biggest Carnival in Belgium. Since 2010, it was even added to the list of “Intangible Cultural Heritage of Humanity”. Since I was born & raised in Aalst, I was already present during many years of festivities, but I would also like to discover other ways of celebrating Carnival, like in Venice or Rio de Janeiro.
2. Being an employee of NH Hotel Group for ten years gave me the opportunity to travel a lot and discover Europe. Of course I would love to see all continents, and see the other six wonders of the world besides the Coliseum in Rome.
3. One of the biggest items on my bucket list is already ticked: losing weight. I lost more than 40 kilos in 2017, after a lot of hard work. The biggest challenge is of course still there: keeping up the fight so that I don't gain it all back. I'll have to keep doing sports and eat healthily.
4. As said, I've been working for NH Hotels for ten years now, but if I could restart everything, I might have become a designer in the fashion industry. So why shouldn't I take some lessons on design and stitching?
5. The last point on my bucket list is to keep challenging myself to get out of my comfort zone. In the past I already did some hiking in the Fjords, but why not do something that involves a little more adrenaline, like skydiving, jumping out of a plane or benji-jumping?
